Description

This 2024 Porsche Macan 4S is a well-maintained vehicle that has had only one owner from new. As an all-electric model, this 4S variant features a robust four-wheel drive system designed for consistent performance. Inside, the cabin is equipped with heated front seats for added comfort, alongside modern technology including Apple CarPlay and Android Auto with Siri voice recognition. Drivers can also utilise the convenient smartphone compartment with wireless charging, while the LED main headlights provide clear visibility. Parking is made straightforward with the inclusion of front and rear ParkAssist, which is supported by a reversing camera. The Macan 4S offers impressive capability, highlighted by a 100 kWh battery that provides a maximum range of 377 miles on a full charge. For those on the move, the vehicle supports rapid public charging, capable of reaching an 80 percent charge in just 22 minutes. Performance is a key strength, with the car accelerating from 0 to 62 mph in 4.1 seconds, ensuring a responsive driving experience. Beyond its speed and range, the vehicle provides practical utility with a large boot space, making it a versatile choice for daily use or longer journeys.
