Description

This 2024 Volkswagen Polo TSI Match presents an exceptional opportunity with its remarkably low mileage of just 6428 miles, a testament to its careful single ownership. This Euro 6 compliant model boasts a 1.0 litre petrol engine and is Volkswagen manufacturer approved, offering peace of mind. It comes equipped with a multifunction front facing camera that includes parking assistance with a front camera, alongside bright LED headlights for enhanced visibility. Connectivity is made simple with the integrated Bluetooth mobile phone interface, allowing for seamless calls and media streaming. The Polo TSI Match stands out with its generous boot space, providing ample room for all your luggage and shopping needs. Furthermore, its low CO2 emissions highlight its

efficiency and environmental consideration, making it a more economical choice compared to many other vehicles in its class. This combination of practical features, excellent provenance, and efficient performance makes this Polo a truly appealing option.
