Description

This 2025 Volkswagen Polo TSI Match presents an exceptional opportunity with its remarkably low mileage of just 3295 miles, a testament to its single owner and careful use. As a Volkswagen manufacturer approved vehicle, this Polo boasts a 1.0 litre petrol engine meeting Euro 6 emission standards, ensuring efficiency and compliance. The Match trim level comes equipped with desirable features including LED headlights for enhanced visibility, a Bluetooth mobile phone interface for seamless connectivity, and heated front seats for added comfort during colder journeys. The Polo TSI Match stands out with its impressive fuel economy, achieving a highlight of 53 miles per gallon, which is better than many comparable vehicles. Furthermore, its low CO2 emissions are

a significant advantage, contributing to lower running costs and environmental consideration. Practicality is also a strong point, with generous boot space making it ideal for everyday use, shopping trips, or weekend getaways. This combination of low mileage, excellent condition, and practical features makes this Polo a compelling choice.
