Description

This 2018 SEAT Leon TSI EVO FR boasts exceptionally low mileage for its age, having covered just 55,330 miles. This particular example is presented in the sporty FR trim, powered by an efficient 1.5 litre Euro 6 compliant petrol engine. It comes equipped with the Convenience Pack Plus, which includes automatic headlights, and SEAT Full Link Smartphone Integration, offering seamless connectivity with Mirror Link, Apple CarPlay, and Google Android Auto. For added ease, front and rear parking sensors are fitted, complemented by full LED headlights for excellent visibility. Inside, you'll find dual zone climate control to keep all occupants comfortable. The SEAT Leon TSI EVO FR offers a compelling blend of performance and practicality. Its 0-62mph acceleration in just 9.4 seconds demonstrates its responsive nature, while its low CO2 emissions make it an economical

choice. The generous boot space ensures you have ample room for luggage or shopping, making it a versatile option for everyday use and longer journeys. These highlights collectively position this Leon as a strong contender against other vehicles in its class.
