Description

This 2023 Volkswagen Polo TSI Life offers a rare chance to own a vehicle with only one previous owner and a very low mileage of 10,246 miles. As a Volkswagen manufacturer approved car, this hatchback is powered by a 1.0L petrol engine that meets Euro 6 emission standards. Inside, the cabin is equipped with a Bluetooth mobile phone interface, allowing for seamless connectivity while you are on the move. The Polo is an excellent choice for those seeking efficiency and practicality, as it achieves an impressive fuel economy of 54 mpg. It is designed to be economical to run, benefiting from low CO2 emissions and falling into a low insurance group, which helps to keep overall ownership costs down. Furthermore, the vehicle provides a large boot space, making

it a highly versatile option for daily commuting or longer trips compared to other cars in its class.
