Description

This 2024 Volkswagen Tiguan TSI Life offers the peace of mind that comes with having had only one owner from new. As a Volkswagen manufacturer approved vehicle, this SUV has been maintained to high standards and has covered a low mileage of 15,901 miles. Under the bonnet, it features a 1.5-litre petrol engine that meets Euro 6 emission standards, ensuring it remains efficient for modern driving. The Life trim level is well equipped with technology designed to assist the driver, including a multifunction front facing camera that incorporates parking assistance. Furthermore, the vehicle is fitted with adaptive cruise control, which includes a speed limiter to help maintain a steady pace on longer journeys. The performance of this Tiguan is balanced and capable, with the ability to accelerate from 0 to 62 mph in 9.2 seconds, providing enough power for both city driving and motorway travel. Beyond its engine performance, the vehicle is designed

with practicality in mind, offering a large boot space that makes it a versatile choice for families or those who need extra room for luggage and equipment. These combined attributes of efficient performance and generous storage capacity make this model a reliable and sensible option for anyone seeking a well-rounded SUV.
