The new Sharan
The new Sharan.
At home wherever you are.

As you’d expect, the new Sharan is stylish, spacious and practical. Flexible easy folding seats, convenient sliding doors and contemporary new upholsteries provide an elegant interior, with seats as comfortable as your favourite sofa. And, with high quality materials and a wealth of refinements enhancing the driving experience like never before, this is home comfort on a whole new level.
The new Sharan provides enough room to comfortably accommodate up to seven occupants, as well as luggage, in style. A choice of cloth or leather upholsteries in contemporary colours allows you to create the interior of your taste, while the seats configure easily to suit your needs. Depending whether you’re travelling alone or with family, the rear seats fold down to create from 300 up to 2,297 litres* of loading space – with so much space at your disposal, your options are countless.

* Please see page 21 for full details of dimensions.

The new Sharan – Interior and exterior

01 The three rows of seats are as comfortable as they look and very well set in terms of comfort thanks to the choice of stylish upholstery. If you want to create an illusion of more space, you can always extend upwards with the panoramic sliding sunroof allowing the view to flood in. Standard on SEL and optional on S and all SE models.

02 The refreshed exterior includes eye-catching rear light clusters, adding a touch of elegance to the exterior of the new Sharan. Image shown features optional 18 inch ‘Marseille’ alloy wheels, available on all SE and SEL models and metallic paint.

* Some parts of leather interior will contain artificial leather.
The new Sharan is the latest Volkswagen to feature Car-Net ‘App-Connect’ enabling you to bring compatible smartphone apps onto your infotainment system’s touchscreen. The interface offers you a choice of three innovative technologies that allow you to bring compatible smartphone apps onto your infotainment system’s touchscreen: the established ‘MirrorLink’™ apps, the new ‘CarPlay’ function from Apple, and the ‘Android Auto’ function from Google. As such, Volkswagen is the first manufacturer to offer a choice of three interfaces to your smartphone. This means you no longer have to be without the practical assistance of your smartphone even when you’re behind the wheel – simply connect your smartphone to your car via USB connection and the system will allow display and operation of certified apps while driving, including audio and voice control. If supported by the app, Volkswagen apps such as ‘Think Blue. Trainer’, ‘Shared Audio’, ‘Drive & Track’ or ‘My Guide’ can help make your journey more pleasant and interesting, providing useful tips about handling your car, parking opportunities and even where to find the closest café. Optional on all models. Images shown feature Discover Navigation touch-screen navigation/radio system, standard on SE Nav and SEL models and optional on S models.

The Composition Media system is equipped with a 6.5 inch colour touch-screen that displays the DAB digital radio information, title and cover art display and, for compatible Android smartphones, the SMS functionality which allows you to read, compose and send SMS messages using the touch-screen display while the vehicle is stationary. Bluetooth telephone and audio connection now allows simultaneous pairing of two compatible mobile devices while USB connection for compatible products, SD card reader and single CD player allows music playback from MP3, WMA and AAC files through 8 speakers with 4 x 20 watt output. Standard on S and SE models.

The optional Car-Net ‘App-Connect’™ combines three innovative technologies that allow you to bring compatible smartphone apps onto your infotainment system’s touchscreen. The interface offers you a choice of three innovative technologies that allow you to bring compatible smartphone apps onto your infotainment system’s touchscreen: the established ‘MirrorLink’™ apps, the new ‘CarPlay’ function from Apple, and the ‘Android Auto’ function from Google. As such, Volkswagen is the first manufacturer to offer a choice of three interfaces to your smartphone. This means you no longer have to be without the practical assistance of your smartphone even when you’re behind the wheel – simply connect your smartphone to your car via USB connection and the system will allow display and operation of certified apps while driving, including audio and voice control. Optional on all models. Images shown feature Discover Navigation touch-screen navigation/radio system, standard on SE Nav and SEL models and optional on S models.

The new Sharan – Multimedia

01 The Composition Media system is equipped with a 6.5 inch colour touch-screen that displays the DAB digital radio information, title and cover art display and, for compatible Android smartphones, the SMS functionality which allows you to read, compose and send SMS messages using the touch-screen display while the vehicle is stationary. Bluetooth telephone and audio connection now allows simultaneous pairing of two compatible mobile devices while USB connection for compatible products, SD card reader and single CD player allows music playback from MP3, WMA and AAC files through 8 speakers with 4 x 20 watt output. Standard on S and SE models.

02 The Discover Navigation touch-screen navigation/radio system with Car-Net ‘Guide and Inform’3 builds upon the impressive Composition Media system, but with additional features enabling you to make informed travel decisions. The system offers preloaded European navigation data, 2D/3D map view, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest and Speed Limit Display. 3-year’s Car-Net ‘Guide and Inform’3 access makes it possible to get up to date traffic information online, route guidance and transfer public and personal points of interest to the navigation system. The service also includes information for fuel pricing, parking space availability, weather and news feeds. Standard on SE Nav and SEL models, and optional on S models. Images shown feature Discover Navigation touch-screen navigation/radio system, standard on SE Nav and SEL models and optional on S models. 3 Car-Net ‘Guide and Inform’ services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of ‘Guide and Inform’ services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net ‘Guide and Inform’ services.

03 Only operable in conjunction with compatible smartphones including iPhone 5 and 6. Volkswagen Apps are only available with ‘MirrorLink’™ compatible smartphones. Please consult www.volkswagen.co.uk to check smartphone compatibility.

04 The Discover Navigation touch-screen navigation/radio system with Car-Net ‘Guide and Inform’3 builds upon the impressive Composition Media system, but with additional features enabling you to make informed travel decisions. The system offers preloaded European navigation data, 2D/3D map view, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest and Speed Limit Display. 3-year’s Car-Net ‘Guide and Inform’3 access makes it possible to get up to date traffic information online, route guidance and transfer public and personal points of interest to the navigation system. The service also includes information for fuel pricing, parking space availability, weather and news feeds. Standard on SE Nav and SEL models, and optional on S models. Images shown feature Discover Navigation touch-screen navigation/radio system, standard on SE Nav and SEL models and optional on S models. 3 Car-Net ‘Guide and Inform’ services are accessed via a compatible mobile device. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net ‘Guide and Inform’ services.

05 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

06 The ‘Android Auto’ function from Google enables you to bring compatible smartphone apps onto your infotainment system’s touchscreen. The interface offers you a choice of three innovative technologies that allow you to bring compatible smartphone apps onto your infotainment system’s touchscreen: the established ‘MirrorLink’™ apps, the new ‘CarPlay’ function from Apple, and the ‘Android Auto’ function from Google. As such, Volkswagen is the first manufacturer to offer a choice of three interfaces to your smartphone. This means you no longer have to be without the practical assistance of your smartphone even when you’re behind the wheel – simply connect your smartphone to your car via USB connection and the system will allow display and operation of certified apps while driving, including audio and voice control. If supported by the app, Volkswagen apps such as ‘Think Blue. Trainer’, ‘Shared Audio’, ‘Drive & Track’ or ‘My Guide’ can help make your journey more pleasant and interesting, providing useful tips about handling your car, parking opportunities and even where to find the closest café. Optional on all models. Images shown feature Discover Navigation touch-screen navigation/radio system, standard on SE Nav and SEL models and optional on S models.
The new Sharan is quipped with a wealth of technological refinements, designed to increase comfort and providing driver assistance.

**Assistance systems**

The Automatic Post-Collision Braking System, supported by the airbag sensors, the Automatic Post-Collision Braking System automatically initiates braking after the vehicle suffers a collision. The system brakes for as long as necessary to reduce the speed of the vehicle to around 6mph in order to prevent or help minimise the severity of subsequent collisions. Standard on all models.

Adaptive Cruise Control (ACC), including Front Assist with City emergency braking system and speed limiter offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to help reduce the severity of a collision or even possibly prevent the collision entirely. Standard on SEL models.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.
Wheels

It’s all about personal taste. A choice of eye-catching alloy wheels allows you to add a touch of individuality to your new Sharan.

01. 6½J x 16 steel wheels and full size wheel trim with 205/60 R16 self-sealing tyres. Standard on S models.

03. ‘Sydney’ 7J x 17 alloy wheels with 225/45 R17 self-sealing tyres and anti-theft wheel bolts. Standard on SEL models.

04. ‘Jacarta’ 6½J x 16 alloy wheels with 215/60 R16 tyres and anti-theft wheel bolts. Optional on SE and SE Nav models.

05. ‘Stratford’ 7½J x 18 alloy wheels with 225/45 R18 tyres, anti-theft wheel bolts and lowered sports suspension. Optional on SE, SE Nav and SEL models.

06. ‘Jarama’ 7½J x 18 alloy wheels with 225/45 R18 tyres, anti-theft wheel bolts and lowered sports suspension. Optional on S, SE, SE Nav and SEL models.

07. ‘Marseille’ 7½J x 18 alloy wheels with 225/45 R18 tyres, anti-theft wheel bolts and lowered sports suspension. Optional on SE, SE Nav and SEL models.

08. ‘Toulon’ 7½J x 18 alloy wheels with 225/45 R18 tyres, anti-theft wheel bolts and lowered sports suspension. Optional on SE, SE Nav and SEL models.

Please note, the addition of larger optional wheels may result in a higher CO2 emission figure and change in VED band, and subsequently an increase in the Manufacturer’s Recommended ‘On the road’ Retail price. Please see page 22 for full details. Models shown feature optional metallic paint.
Think Blue.

BlueMotion Technologies*

Start/Stop technology

Brake energy recuperation system

Turbocharged engines

Low rolling resistance tyres

Purpose-built BlueMotion cars

Electric vehicles

*BlueMotion Technologies are available on all Volkswagens and vary between models.

The new Sharan – Section Title

There’s a Volkswagen for all of us.

To see these models and configure your ideal Volkswagen, visit: www.volkswagen.co.uk

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you’re looking for, we probably have it. From the iconic Beetle and Golf GTI to the compact up!, there’s a Volkswagen for everyone.

If you’re thinking you might like to try a different Volkswagen, there are over 20 models in our range, so there’s bound to be at least one that catches your eye.

4x4

Touareg: The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it, with four wheel drive technology, ‘4MOTION’ as standard.

Go everywhere, do anything in our four wheel drive alternatives: Golf Alltrack, Tiguan and Passat and Passat Estate 4MOTION models.

Sporty

Golf: As exciting to drive as it is to look at. Style, performance and power. You will also find our sporty gene in the iconic Golf GTD and Golf R.

Beetle: The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider Beetle Cabriolet or the Golf Cabriolet.

City run around

up!: The ideal city car. Fun, easy to manoeuvre and surprisingly spacious, with that trademark Volkswagen solidity.

If you’re looking for something slightly more spacious, then why not consider the up!’s bigger sibling, the Polo. City run around practicality with more sensuality and even more space can be found on the iconic Golf.

Executive

Volkswagen CC: Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative car.

All the luxury you need can also be found in the Jetta, and executive comfort in the Passat and Passat Estate – winner of ‘European Car of the Year 2015’.

Spacious family cars

New Sharan: The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it’s space you’re after, then you might also like to consider the Touareg, Golf SUV, Golf Estate, new Touran and Passat Estate.

New Sharan: The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it’s space you’re after, then you might also like to consider the Touareg, Golf SUV, Golf Estate, new Touran and Passat Estate.

SCR (Selective Catalytic Reduction) requires AdBlue®, please see www.volkswagen.co.uk/technology/adblue for more details.
**Styling**
- Mechanical styling, sporty, timeless, robust.
- Colours, height and lengthways adjustable safety styling colours.

**Brakes**
- Electrically controlled, anti-locking brake system (ABS) with Electronic Brake-pressure Distribution (EBD).
- Electronic Stability Control (ESP) including Electronic Differential Lock (EDL) and Anti-Skid Control (ASR).
- ESC (Electronic Stability Control) including LDW (Lane Departure Warning).

**Transmission**
- 2.0 litre/115 PS (01) (85 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six-speed manual or a six-speed automatic DSG transmission.
- 2.0 litre/150 PS (01) (110 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger and an AIP (AdBlue®) particulate filter) with SCR (Selective Catalytic Reduction). Available with a six-speed manual or a six-speed automatic DSG transmission.
- 2.0 litre/184 PS (01) (135 kW) common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter) with SCR (Selective Catalytic Reduction). Available with a six-speed manual transmission.
- 2.0 litre/200 PS (01) (147 kW) common rail diesel engine. EDS emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and an AIP (AdBlue®) particulate filter) with SCR (Selective Catalytic Reduction). Available with a six-speed manual or six-speed automatic DSG transmission.

**Braking**
- HBA (Hydraulic Brake Assist) with EDL (Electronic Differential Lock), ABS (Anti-Skid Control) and ASR (Traction Control), and (wet clutch on six-speed DSG models).
- Six-speed manual or six-speed automatic DSG gearbox with double joint half axles.

**Transmission**
- Electronically controlled, anti-locking brake system (ABS) with Electronic Brake-pressure Distribution (EBD).
- Electronic Stability Control (ESP) including Electronic Differential Lock (EDL) and Anti-Skid Control (ASR).
- ESC (Electronic Stability Control) including LDW (Lane Departure Warning).

**Dimensions**
- Interior dimensions
  - Length, mm: 4854
  - Width, mm: 1904
  - Height, mm: 1720
  - Height – opened tailgate/floor, mm: 2052
  - Wheelbase, mm: 2920
  - Width – excl. door mirrors, mm: 1275
  - Distribution (EBD)

**Technology**
- Electronic differential lock, with a hydraulically operated single-plate dry clutch withAtlantis, with a hydraulically operated single-plate dry clutch.
- Front-wheel drive through four-wheeler dry clutch. Hydraulically operated single-plate dry clutch, four-wheel drive.
- Asbestos-free brake pad.
- HBA (Hydraulic Brake Assist) with EDL (Electronic Differential Lock), ABS (Anti-Skid Control) and ASR (Traction Control), and (wet clutch on six-speed DSG models).
Effect of wheel size on CO2 emissions and VED bands

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO2 emissions and subsequently increased Vehicle Excise Duty (VED) band. The BIK rates paid by company car drivers may also increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended ‘On the road’ retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO2 emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels.

### CO2 emissions and VED bands with optional wheels

* Fuel consumption and CO2 figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturers’ models but may not represent the actual fuel consumption achieved in ‘real world’ driving conditions.

More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca.

Please note: the increase in VED rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details.

SCR (Selective Catalytic Reduction) requires AdBlue®, please see www.volkswagen.co.uk/technology/adblue for more details. BMT refers to BlueMotion Technology.
Volkswagen service

Exclusions and terms and conditions apply to all warranties and service plans. For pricing and further details please refer to Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk.

The Volkswagen Warranty

Three-year Warranty

All new Volkswagen passenger cars carry a three-year/60,000 miles warranty, which protects your car against faults in material and electrical components due to normal wear and tear. This warranty is non-transferable to the subsequent owner of the vehicle. Should you wish to sell your vehicle within the three-year period the warranty will remain with the vehicle.

The Volkswagen service

Approved Accessories

(whichever is soonest) between oil changes.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is not driven on long journeys. The vehicle is driven steadily at a constant speed with minimum engine and aerodynamic drag. Inspecting and servicing is much as you would expect. Without the Flexible Service your Volkswagen parts and patches will not be covered.

Unlimited mileage warranty

The new Sharan – Volkswagen service

Volkswagen car warranty

On all other models a further one-year/60,000 miles (whichever is soonest) warranty is available.

Additional points to consider

Volkswagen Finance

For full details please contact your authorised Volkswagen retailer.

Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of your car breaking down. If your vehicle is not registered for roadside assistance, please do not worry – your vehicle is still covered.

Volkswagen Finance5

Get three years’ Volkswagen Ensurance cover for free. Another great benefit of owning a Volkswagen. If your vehicle was damaged in an accident, would you be covered for the cost of repairing it? Volkswagen’s Ensurance is accident and repair cover which means that if it awards points to your car. Ensurance is sold and administered to new car owners for a period of 36 months or when the vehicle is sold, whichever is sooner. For full details, please contact your authorised Volkswagen retailer. The weight of a vehicle will influence the level of CO2 emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO2. Choosing larger alloy wheels or a panoramic sunroof may increase CO2 emissions. In some instances, the recommended ‘On the road’ retail price paid for a vehicle may increase as a result of the increased VED rate. CO2 is the main greenhouse gas responsible for global warming.

Vehicle emissions and fuel consumption

The specifications contained in this brochure are for information purposes only and are subject to change. Please contact your authorised Volkswagen retailer or visit the website for the latest updated with any change in specification. Please check model availability and full specification details with your retailer before committing to your purchase.

Volkswagen Consumer Credit

Volkswagen car warranty

Volkswagen provides car warranty coverage through the following plans:

•  Inspections service 2 – After 1 year or 10,000 miles (15,000km), whichever is sooner.
•  Inspection service 3 – After 2 years or 20,000 miles (30,000km), whichever is soonest.
•  In service usage: if the vehicle is driven considerably more than 5,000 miles (8,000km) a year, e.g. due to increased holidays or family travel, you may wish to consider a full service schedule.

Volkswagen approved accessories

In particular, controls and some items of equipment are positioned differently for the UK. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your retailer before committing to your purchase.

Volkswagen Customer Care

Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded for training purposes.

Volkswagen Offers

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

Volkswagen approved accessories purchased in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.
